

This week in Nursery

13th September, 2021

P.S.E.D.

The children are beginning to settle into Nursery and learn our routines. The children are starting to make new friends and are becoming more familiar with the adults in our setting.

C.L.

The children have taken part in circle time this week where they have been encouraged to listen to their friends and also to contribute by saying their names.

P.D.

The children have enjoyed exploring our outdoor classroom and have had the opportunity to go on the bikes. They have also enjoyed traveling under, over and through our climbing equipment outside.

Literacy

The children have enjoyed listening to the story, 'Elephant Wellyphant' by Nick Sharrat. They enjoyed talking about all the different elephants they could see.

Mathematics

The children have been practising their counting skills by counting how many children are in Nursery, during carpet time. We have also been singing different number songs.

U.W.

Our new topic for this half term is called, 'Why do you love me so much?' Some of the children have enjoyed drawing pictures of their grown-ups.

E.A.D.

This week the children have made their own 'funny faces' using paper plates, wobbly eyes, wool, pipe cleaners and glue.

Special Notices

Thank you for your support in helping your child to settle in at Nursery. Many thanks for those of you who have already contributed a weekly £1 voluntary donation. We are very grateful!
