Christmas Weekly Planner

This week in Nursery we have been enjoying the build up to Christmas. The children have loved making lots of different Christmas craft and even made some reindeer food outside!

The children had great fun at our Christmas party on Thursday. We played lots of different games including pass the parcel and musical statues. We even had a very special visit from Santa and himself. The children were thrilled to talk to Santa and receive a present from him.

Just a reminder that the Nursery Christmas concert will be loaded onto google classroom for you to access. We are so proud of all the children as they worked hard learning the different songs and learning to play their instruments. We hope you enjoy watching it!

We'd also like to say a very BIG thank you for your support this term, in what continues to be challenging times.

Have a very happy Christmas!
