

This week in Nursery

15th March, 2021

P.S.E.D.

The children continue to enjoy settling back into the routines of Nursery. We have been reminding them of our rules including sharing and taking turns fairly. The children enjoyed dressing up for red nose day and raised lots of money for comic relief. Thank you!

C.L.

It was very exciting this week in Nursery because we had a dragon come and visit us! We spoke about how we could make him feel welcome and enjoyed reading to him in the book corner, giving him snack and showing him how we do our 'wake and shake'.

P.D.

The children really enjoyed taking part in a 'real PE' lesson in the hall this week. They had lots of fun pretending to be a 'chimpanzees' balancing their 'fruit' on different parts of their body.

Literacy

Our new letter for this week was 'l'. We thought of lots of items beginning with 'l'. We also enjoyed playing silly soup where we were practising hearing the initial sounds in words and our blending skills.

Mathematics

This week in mathematics we have been practising naming and describing our 2D shapes. We have also learnt how to make a repeating pattern and even made our very own, 'repeating pattern crowns'.

U.W.

This week we watched a video about castle animals and found out which animals lived in a castle long ago. We then had to sort some animals into those who lived in a castle and those who didn't.

E.A.D.

The children have enjoyed having a go at weaving this week. We learnt that this was something they did in a castle long ago.

Special Notices:

Just a reminder that PE for our morning children is Wednesday morning and for our afternoon children is Thursday afternoon. Children can come to school dressed in their PE kit for this day. Also, the last day of term will be Thursday, 1st April.
