

This week in Nursery

18th October, 2021

P.S.E.D.

The children really enjoyed showing their handprint homework and had fun telling us all about their families.

C.L.

We listened to the story, 'Guess how much I love you in autumn'. We talked about what happened in the story and about what changes happen in autumn.

P.D.

For PE this week we played parachute games. The children really enjoyed making small and big waves with the parachute. They also enjoyed making a 'mushroom' and had fun playing 'cat and mouse'.

Literacy

The children have been playing lots of phase 1 games including 'pass the sound' where they needed to pass a sound all around the circle. We have also learnt a new letter sound, 'p'. Maybe you could find items at home beginning with 'p'.

Mathematics

We have been learning all about the number 1 this week. We watched number blocks and learnt that $1+1=2$. We have also been enjoying singing number songs including '5 little pumpkins' and '5 little monkeys'.

U.W.

This week in Nursery we have been thinking about autumn. We have discussed what happens in autumn and why.

E.A.D.

The children have enjoyed making hedgehogs out of play dough and sticks. They also enjoyed vegetable printing and painting trees with Autumn leaves.

Special Notices

We have a teacher day on Monday 1st November. Nursery will therefore begin again on 2nd November. Have a fantastic half term!
