

This week in Nursery

19th April, 2021

P.S.E.D.

It was lovely to see all the children back from their Easter holidays! We had a circle time on Monday where we enjoyed hearing all about the exciting things they had done and where they had been.

C.L.

The children listened really well to our story this week which was, 'Jacob O'Reily really wants a pet'. The children had fun thinking about what pet they would like to have and why.

P.D.

For PE this week we had the apparatus out. The children enjoyed swinging on ropes, climbing a rope ladder and balancing on a bench.

Literacy

This week in phonics the children have been working on their blending skills. So for example, 'c-a-t' becomes 'cat', 'd-o-g' becomes 'dog'. They have also been working hard on identifying rhyming words, e.g. 'cat', 'mat', 'bat'.

Mathematics

This week in mathematics the children have been working on trying to discover one less than a given number. They have also enjoyed making a 'caterpillar' by ordering numbers from 1 to 10. Some children even managed 11-20!

U.W.

We have introduced the children to our new topic, 'Can I have a dog?' The children have been discussing how to treat and hold a small animal. They have also thought about what pet they would like to have.

E.A.D.

The children have enjoyed painting a picture of a pet they would like. They thought about the colours they would need and what features the animal has. They have also enjoyed playing in our role play area, which is a veterinary surgery.

Special Notices:

Just a reminder that PE for our morning children is on Wednesday morning and PE for our afternoon children is Thursday afternoon. Children can come to school in their PE kits.

Thank you
