

This week in Nursery

1st February, 2021

P.S.E.D.

We continue to support the children with sharing and taking turns fairly. Some of the children have been given stickers for sharing and showing kindness to their friends!

C.L.

We listened to the story, 'We're going on a bear hunt' and had a go at re-telling the story together. The children were very good at doing all the sound effects.

P.D.

The children continue to enjoy their weekly 'real' PE sessions. This week the children pretended to be pirates and had fun playing different pirate games. They also had to practise balancing on one leg.

Literacy

Our new letter for this week was 'u'. We also played a game where the children had to pull out an object from a mystery hat. They had to decide what letter it began with and then they had to go and stand by the correct letter.

Mathematics

The children have enjoyed a variety of different number songs including '5 little speckled frogs' and '5 little men in a flying saucer'. They have also been practising their number recognition and counting skills.

U.W.

This week the children have enjoyed sharing their photographs of where they have been exploring in the past. It was lovely to see them talk so excitedly about their 'adventures'.

E.A.D.

The children have enjoyed painting a picture of a bear. They worked really hard on their paintings and were very proud of their work! They also enjoyed painting part of the story from, 'We're going on a bear hunt'.

Special Notices:

Don't forget, your child will need wellies on Tuesday, 9th February as we are hoping to go on our very own bear hunt. Please remember to send your child with a hat, scarf and gloves as the forecast looks like it could be cold! Thank you
