

This week in Nursery

1st March, 2021

P.S.E.D.

The children are enjoying the responsibility of carrying out small tasks, including counting how many children are in Nursery and telling their friends what fruit is available for snack.

C.L.

The children loved taking part in World Book Day and were able to share what character they were dressed up as! They also enjoyed a zoom call to their friends who are still at home.

P.D.

We have had another 'real PE' session where the children had fun pretending to be pirates. One of the skills they learnt was bouncing a ball to their partner and catching it.

Literacy

Our new letter for this week was 'b'. We thought of lots of items beginning with 'b'. We also 'made' silly soup where the children had to blend the sounds for one of our ingredients, e.g. 'c-u-p' becomes 'cup'.

Mathematics

This week in mathematics we have been practising writing our numbers. The children have worked really hard to form their numbers correctly.

U.W.

The children continue to enjoy learning about castles and what it was like to live in one long, long ago. They have thoroughly enjoyed playing in our castle role play.

E.A.D.

The children have enjoyed making a dragon out of play dough and making a castle using our light box and 3D shapes.

Special Notices:

We will be starting PE again next week. Our days for PE are Wednesday morning for our morning children and Thursday afternoon for our afternoon children. Children can come to school dressed in their PE kit!
