Autumn Term

Thursday 3<sup>rd</sup> September 2020

Dear parents and carers,

I am absolutely delighted to see all the children back at school and enjoying being back together.

As you know, we have made significant changes to how school operates logistically, and I appreciate your support and understanding as we adjust to a new way of school life.

I cannot stress how important it is to keep checking the school letters and Covid-19 sections of the website for updates.

Our goal for this term is for children to catch up from where they left off in March and to make sure their integration back into school has a positive impact on everyone's mental health and well-being. We aim to do this safely without significantly reducing the opportunities that children have at our thriving school.

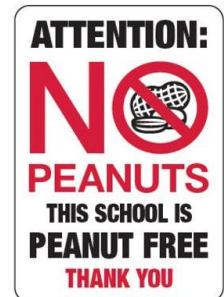

We have thoroughly and robustly risk assessed the children's return to school and put in all of the recommended control measures whilst ensuring before and after school clubs, Skills Academy, Forest Schools and specialist teaching of Music, Computing and PE can continue, but continue differently.

Ordinarily at this time of year we would be collating a list of dates for events, visits, visitors, parents' evenings, Christmas concerts and more. Unfortunately, due to Covid-19 restrictions, we are not able to commit to such a list of dates. However, as things develop and when we know more, we will keep you informed.

Mr Taylor  
Headteacher

## A Nut-Free Ernesford Grange Primary School

I would like to remind everyone that we have several children with nut allergies at school and contact with peanuts could be life threatening for these children. We would really appreciate it if you refrained from sending children to school with peanut butter, Nutella and cereal bars that contain nuts, particularly peanuts.

## Before and After School Sports Clubs

Due to Covid-19, we will run our after-school clubs differently this term.

Our clubs will take careful planning as different year groups now finish at different times and we will continue to operate within bubbles.

Before and after school clubs will commence in week 3 (w/b 14.9.20). A letter with further details of which clubs are available will follow next week.

If you wish your child/children to participate in before or after school clubs, please complete the relevant forms and return them to the class teacher.
