Spring Term

Wednesday 17th March 2021

Dear all parents and carers,

We have loved having all our children back in school last week. It has been lovely to see children re-establishing their friendships with each other and their relationships with staff.

Last week our children were involved in lots of activities back in school. We will continue to strive to make up for lost time but will also ensure we take opportunities to provide fun activities and make sure the children are as active as possible.

After school maths catchup classes for Y4, Y5 and Y6 will begin this week. If it is possible, can you please ensure your child(ren) attend these classes as we attempt to make up for time lost in the classroom.

I am pleased to say that the **Cycling Proficiency course will start for Y5 children on Wednesday 21<sup>st</sup> April** and will run for six weeks. For children to participate in the cycling proficiency course, they must wear a helmet. A letter has gone out with further details, could you please complete and return the slip to help us plan.

I would like to thank everyone for your ongoing support and co-operation with the changes we have made to the school day. We are managing to make it work well together. Please can I remind parents not to arrive on site more than 10 minutes before your child's start time, unless you have children in multiple year groups.

Although it feels like the Covid-19 pandemic is coming to an end, I must remind everyone to continue to be vigilant and that a positive case at school could result in the closure of a bubble.

We must work together and remain cautious to avoid the closure of any bubbles. If your child displays any symptoms of Covid-19, please do not send them to school.

Best wishes,  
Mr Taylor
