

We would like you to make a display of 3D shapes. There will be a prize for each year group and all entries will be on display for you and your parents to come and see.

The closing date for all entries is Tuesday 11th June. Completed shape displays can be brought into school from Monday 3rd June. All entries will be on display for parents to view at 8:15 and 3:10 on Wednesday 12th June in the KS2 hall.

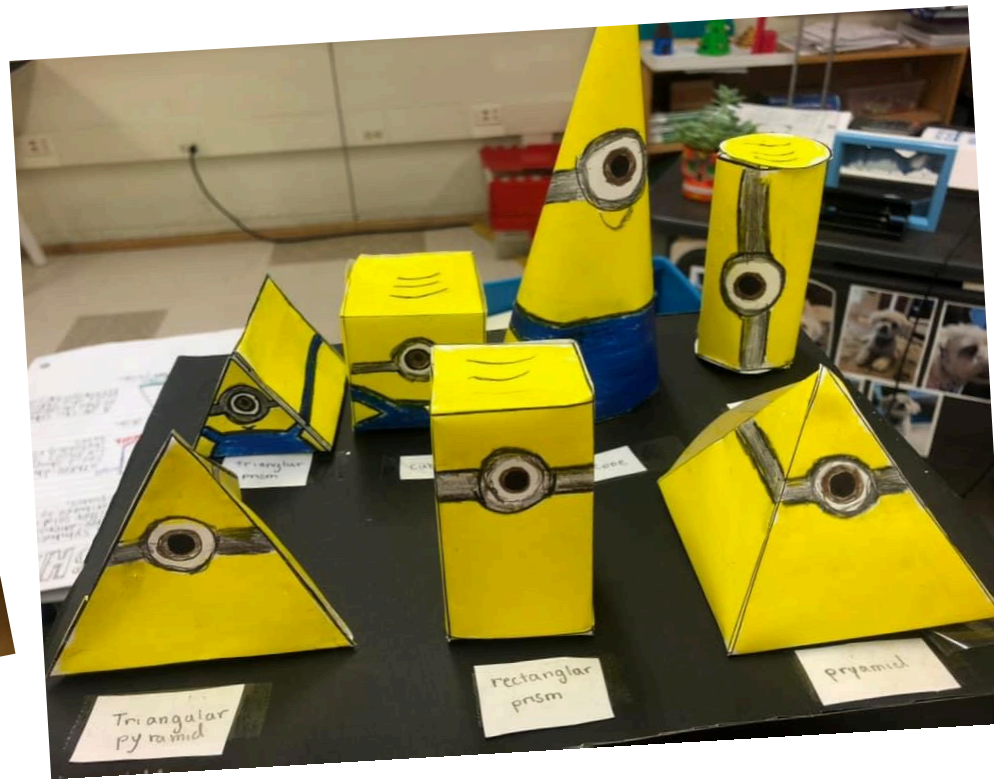

How many different shapes can you include in your display? Can you name them all?

If you would like some 3D shape nets to use in your display, please scan this QR code where you will find some on our school website that you can download.

You might choose a theme to decorate your shapes...

...you might choose to arrange them in a scene

...you might choose to put them all together to make a larger model

...or you might have a completely different idea of your own.

Have fun - we can't wait to see how creative you can be!
