

This week in Nursery

21st September, 2020

P.S.E.D.

The children are continuing to settle into nursery routines. They are learning how to share and take turns fairly. We have also given out a number of stickers and the children are enjoying receiving praise for a specific job.

C.L.

The children have enjoyed listening to a number of different stories and do so with increasing attention. They have enjoyed listening to the story, 'Guess how much I love you' and have said who they love 'to the moon and back.'

P.D.

The children continue to enjoy exploring outdoors. They are becoming more confident in exploring our different climbing equipment.

Literacy

The children have had a number of opportunities to mark make using paint, crayons, pencils and whiteboard markers. All the children have drawn a picture of their family and had a go at writing their name.

Mathematics

This week we have sung lots of different number songs. We have also been practising counting up to 10 objects and beyond.

U.W.

We continue to think about our families, the people who love us and what they do for us!

E.A.D.

This week the children have made their very own 'love monster' based on the story 'Love Monster'. The children have been encouraged to cut out their monster themselves and stick on the various parts.

Special Notices

Many thanks to all of you who are donating a weekly £1 voluntary contribution. This will go towards purchasing resources that your child can use in Nursery. Thank you!
