

This week in Nursery

22nd March, 2021

P.S.E.D.

The children are becoming more confident in carrying out jobs in Nursery. For example, they like going and telling their friends what they have got for snack and also watering our plants inside.

C.L.

We really enjoyed listening to the poem, 'There's a dragon in the classroom' and the children were able to answer some simple questions about the poem. They also enjoyed talking about how they made their junk model dragons.

P.D.

The children really enjoyed practising their throwing and catching by using balloons this week. They also had lots of fun trying to keep their balloon up in the air and not letting it drop to the floor.

Literacy

Our new letter for this week was 'j'. We thought of lots of items beginning with 'j'. We have also enjoyed seeing 'Metal Mike' again and had fun sounding words out, just like 'Metal Mike' would. So 'cat' would be 'c-a-t' for example.

Mathematics

This week in mathematics we have had fun counting out different amounts of 'dragons' and then matched them to the correct number. We have also been practising ordering numbers and spoke about which numbers were smaller or greater than a given number.

U.W.

We have had fun exploring our outdoor classroom and looking at the different flowers that are growing outside!

E.A.D.

The children have thoroughly enjoyed working as a team to create their very own 'junk model dragon'. They have thought very carefully about what materials they would use and worked hard to join them together and paint them.

Special Notices:

Just a reminder that PE for our morning children is Wednesday morning and for our afternoon children is Thursday afternoon. Children can come to school dressed in their PE kit for this day. Also, the last day of term will be Thursday, 1st April.
