

# This week in Nursery

26<sup>th</sup> April, 2021

## P.S.E.D.

It was very exciting this week because Mrs Lindsay bought her pet dog, Piper, to school. We spoke to the children about how we should behave around animals and the children were fantastic!

## C.L.

One of our stories this week was called, '100 dogs'. The children listened beautifully and, at the end, talked about what kind of dog they would like for example, a spotty, sleepy, happy, dog!

## P.D.

For PE this week we had the apparatus out. The children enjoyed swinging on ropes, climbing a rope ladder and balancing on a bench. They also thought of different ways they could move across the equipment.

## Literacy

Our new letter for this week was 'v'. The children continue to work on their blending and segmenting skills. They listened to a story all about different animals who went to a park. They had to blend the animal names throughout the story,

## Mathematics

This week in mathematics we have been working hard to write our numbers from 1-9. In nursery we have a different rhyme for each number, which helps the children to form them in the correct way!

## U.W.

As I said earlier, it was very exciting to have Mrs Lindsay's dog, Piper, come and visit us. We learnt lots about what you need to do to look after a dog and it was great to see Piper doing some tricks. We all got a chance to stroke her too!

## E.A.D.

The children have been making trees and flowers this week which will feature in a school video for Coventry City of Culture! They worked hard cutting, sticking and painting!

## Special Notices:

School will be closed next week on the Monday as it is a bank holiday. School is also closed on Thursday, May 6<sup>th</sup> for polling day.
