

This week in Nursery

28th February, 2022

P.S.E.D.

The children continue to learn how to share and take turns fairly. They are very proud of themselves when they are rewarded a sticker or postcard for being kind to their friends.

C.L.

The children loved taking part in World Book Day and enjoyed sharing what character they were dressed up as! We enjoyed listening to some funny poems and taking part in other 'World Book Day' activities.

P.D.

We have spoken to the children about how important it is to wash their hands, especially after going to the toilet and before having our snack.

Literacy

Our new letter for this week was 'b'. We thought of lots of items beginning with 'b'. The children also enjoyed taking part in a rhyming quiz.

Mathematics

This week in mathematics we have been focusing on the number 2. We have thought about what 2 looks like and how it can be a 1 and a 1 or a 2 and a 0. We also continue to enjoy our number songs.

U.W.

The children really enjoyed exploring the school grounds this week where we were looking for signs of spring. We found blossom, daffodils, buds on trees and we also went to visit our school pond.

E.A.D.

The children have had the opportunity to use clay, paint sticks and collage on our art table, this week.

Special Notices:

Don't forget, PE is on a Thursday. Children can come to school dressed in their PE clothes. Many thanks again for your continued contributions in our £1 pot. We really appreciate all you support!
