

This week in Nursery

28th March, 2022

P.S.E.D.

The children are becoming more confident in carrying out jobs in Nursery. For example, they like going to tell their friends what they have for snack and also watering our plants inside.

C.L.

We really enjoyed listening to the poem, 'The teeny weeny tadpole'. We spoke about what happened in the story and the life cycle of a frog.

P.D.

The children are continuing to enjoy going on our big apparatus. It is fantastic to see them grow in confidence, especially with climbing our rope ladder.

Literacy

Our new letter for this week was 'r'. We thought of lots of items beginning with 'r'. We have also enjoyed playing 'rhyming silly soup' where the children had to find the correct rhyming ingredients.

Mathematics

This week in mathematics we have been practising 'subitising'. We had to find different pictures, representing the numbers 1-4 and put them in the correct order.

U.W.

We have had fun being chocolatiers this week! We melted down some solid chocolate and poured the liquid chocolate into some chocolate moulds. We then put them in the fridge to become hard and solid again. We especially enjoyed eating them!

E.A.D.

The children have enjoyed painting this week and have made a start on their Easter cards.

Special Notices:

Easter bonnets need to be brought to Nursery on Tuesday, April 5th. There will be no PE on Thursday, April 7th. Please could we have letters for our trip returned as soon as possible.

Thank you
