

This week in Nursery

29th March, 2021

P.S.E.D.

The children enjoyed playing with balloons in Nursery this week. Some of the children were sharing their balloons with their friends and were praised for being kind.

C.L.

We really enjoyed listening to the story, 'We're going on and egg hunt'. We spoke about what happened in the story and we were able to find all the hidden eggs. The children had lots of fun going on an egg hunt in our Nursery garden. We enjoyed eating the chocolate eggs!

P.D.

The children really enjoyed practising their throwing and catching by using balloons this week. They also had lots of fun trying to keep their balloon up in the air and not letting it drop to the floor.

Literacy

We enjoyed playing 'Bertha the Bus' in phonics this week. We had to say which animals Bertha saw when going to the zoo. We then had to decide what letter sound the animal began with.

Mathematics

This week in mathematics we have had fun counting out Easter eggs, that the Easter bunny left for us. We also enjoyed estimating how many chicks, bunnies and lambs we could see in the story, 'Easter Bunny Flap Book'.

U.W.

We learnt all about the Easter story this week and we spoke about why Easter is a special celebration for Christians. We learnt that Christians believe that Jesus died, but 3 days later came back to life again!

E.A.D.

The children have enjoyed making their Easter cards this week. They also thoroughly enjoyed making Easter nests!

Special Notices:

We just wanted to say a very **BIG** Happy Easter to you all. We would like to thank you again for all your support. We hope that you have a fantastic break. The summer term begins on 19th April.
