

This week in Nursery

2nd May, 2022

P.S.E.D.

It was very exciting this week because Mr Taylor bought Chester, the school dog to Nursery. We spoke to the children about how we should behave around animals and the children were fantastic!

C.L.

One of our stories this week was called, '100 dogs'. The children listened beautifully and, at the end, talked about what kind of dog they would like for example, a spotty, sleepy, happy, dog!

P.D.

For PE this week we went out on the field to play with tennis rackets and balls. We had fun balancing the ball on our bat and we tried really hard to hit the ball as far as we could!

Literacy

Our new letter for this week was 'v'. We thought of lots of different words beginning with 'v' and we enjoyed playing silly soup where we had to blend the sounds in the 'ingredients'.

Mathematics

This week in mathematics we have been revising our 2D and 3D shapes. We practised naming the shapes we could see and also describing some of their properties.

U.W.

As I said earlier, it was very exciting to have Mr Taylor and Chester come to visit Nursery. We learnt lots about what you need to do to look after a dog and it was great to see Chester doing some tricks. We all got a chance to stroke him too!

E.A.D.

The children have enjoyed playing with our small world dogs, creating little homes and obstacle courses for them. They have also had the chance to draw a picture of a dog too.

Special Notices:

Our trip to Ash End House Farm is on Wednesday, May 11th. Please check the weather and ensure your child is suitably dressed. They will need to wear their school jumper or cardigan. We aim to be back at school by 3.30, depending on the traffic.

Thank you
