

This week in Nursery

4th January, 2021

P.S.E.D.

On the first day back the children spoke about what they did in the Christmas holidays and shared what presents Santa brought them! It was lovely to hear all their news!

C.L.

We enjoyed listening to the story, 'Hide and Seek pig'. We spoke about all the different rhyming words we could hear in the story.

P.D.

Given the current circumstances we have been speaking to the children about washing our hands and how important it is to catch our coughs and sneezes. We have a hand washing song which the children love to watch.

Literacy

We have been practising recalling all the letter sounds we have learnt so far. These include: 's,a,t,p,i,n,m,d'. Our new letter for the week is 'g'. We thought of lots of different things beginning with 'g'.

Mathematics

We have been enjoying singing number songs including five speckled frogs, five currant buns etc. We have also been practising our counting and working out how many we have left when we take one away.

U.W.

Our new topic for this half term is called, 'Can we explore it?' We introduced the topic by exploring our outdoor area whilst playing hide and seek. The children enjoyed finding different hiding places outside!

E.A.D.

The children have enjoyed mark making using paint sticks, crayons, pencils etc. The children are also enjoying playing in our new role play area which is now a travel agents!

Special Notices

Many thanks to you all for your support and understanding in these difficult times. Remember, if your child is not in Nursery, you can access different games and activities, to support your child with their learning, on Google Classroom. I hope everyone keeps safe and well.
