

# This week in Nursery

5<sup>th</sup> July, 2021

## P.S.E.D.

The children really enjoyed meeting their new Reception teacher, in their new class for September. They listened really well to a story!

## C.L.

The children enjoyed listening to the story, 'Love monster and the last chocolate' by Rachel Bright. They were very good at answering questions about the story.

## P.D.

The children have loved joining in with parachute games this week. One of their favourite games was 'cat and mouse' where one child is on the top of the parachute and needs to catch another underneath it.

## Literacy

We have been practising our blending skills again this week by playing 'silly soup'. The children were fantastic at listening to all the sounds in a simple word and blending them together, e.g. k-i-ng became 'king'.

## Mathematics

This week in mathematics we have enjoyed playing underwater counting where the children had to count how many sea creatures they could see. We also thought about how many there would be if there were one more or one less.

## U.W.

The children have thoroughly enjoyed being chocolatiers this week where they made chocolates for the 'love monster'. We spoke about how the chocolate is solid and how we need to melt it so we could pour it into a chocolate mould.

## E.A.D.

The children have enjoyed a variety of creative activities this week including playing with the platercine and making 'football' pictures.

## Special Notices:

This Wednesday we are having our Summer party! Children can come in their summery clothes. We will also be taking part in our school sponsored bounce!
