

This week in Nursery

7th December, 2020

P.S.E.D.

The children were really behaved when we filmed our Christmas concert and put on a fantastic performance. We hope you will enjoy watching it.

C.L.

We have enjoyed the stories, 'Snow friends' and 'Santa needs a wee'. The children thought it was very funny! We discussed what happened in each story and the children have tried hard to predict what might happen next.

P.D.

The children have been making lots of different Christmas craft which has meant they have needed to use scissors. They are beginning to use scissors with increasing skill and control.

Literacy

The children have been writing their Christmas cards this week and have been working really hard on forming the letters in their names.

Mathematics

We have been enjoying playing lots of different Christmas games on our interactive whiteboard. One of them involved counting decorations on a Christmas tree and finding the matching number.

U.W.

The children continue to enjoy talking about Christmas and spoke about what they would like on the big day!

E.A.D.

We have had fun this week making Christmas crackers. We hope you enjoy pulling them and finding a surprise inside!

Special Notices

Don't forget, we have arranged a Christmas party for the children on Wednesday, December 16th. Children can come to Nursery dressed in their party clothes. We would love you to watch our Christmas concert and hope you will be able to buy our Christmas dvd!
