

# This week in Nursery

7<sup>th</sup> February, 2022

## P.S.E.D.

The children listened well to their friends during circle time this week. We spoke about how it is important to show 'respect' (one of our school values) to each other.

## C.L.

We listened to the story, 'We're going on a bear hunt' and had a go at re-telling the story together. The children were very good at doing all the different sound effects.

## P.D.

The children continue to enjoy their PE lessons. This week we were practising our ball skills including rolling a ball to a partner, throwing and catching a ball and dribbling a ball around some cones.

## Literacy

Our new letter for this week was 'e'. We thought of lots of different things beginning with 'e'. The children enjoyed playing 'silly soup' too where they had to find all the ingredients that begin with 'e'.

## Mathematics

The children have enjoyed a variety of different number songs including '5 little speckled frogs' and '5 little ducks'. They have also been practising number recognition and counting skills.

## U.W.

This week the children have enjoyed sharing their photographs of where they have been exploring in the past. It was lovely to see them talk so excitedly about their 'adventures'.

## E.A.D.

The children have enjoyed free painting and also have had fun making a collage of the bear hunt story.

## Special Notices:

Next week, on Monday or Tuesday, depending on the weather, we are hoping to go on a bear hunt with the children, outside. Please remember to send your child with a hat, scarf and gloves if the forecast looks like it could be cold! Thank you
