

# This week in Nursery

7<sup>th</sup> June, 2021

## P.S.E.D.

The children have taken part in circle time this week where they spoke about what they did in the half term holidays. It was lovely to hear their news!

## C.L.

The children have been giving lots of opportunities to speak with their peers and the adults in Nursery. Our new role play area is a hairdressers and it is fantastic to hear the children interacting with their friends!

## P.D.

This week for PE, the children have enjoyed taking part in different races. They were super at balancing a bean bag on a bat and balancing a quoit on their head, whilst racing against their friends!

## Literacy

Our new letter for this week was 'z'. The children have also been practising blending the sounds in words, e.g. 's-i-t' makes 'sit'.

## Mathematics

This week in mathematics we have been revising our 3D shapes. The children have been practising naming them and describing their properties. The 3D shapes include a 'cone, sphere, cube and cylinder'.

## U.W.

The children really enjoyed having their 'special breakfast' this week. We spoke about what we usually have for breakfast and we spoke about which foods were healthy and which were unhealthy.

## E.A.D.

The children have enjoyed painting and printing using 3D shapes. They had fun exploring the paint and making their pictures.

## Special Notices:

Don't forget, the zoom induction meeting for Reception will be on Tuesday, June 15<sup>th</sup> and Thursday, June 17<sup>th</sup>. Mrs Gould's class will be the 15<sup>th</sup> June and Mrs Gardner's class is the 17<sup>th</sup> June.

Thank you
