

# This week in Nursery

8<sup>th</sup> November, 2021

## P.S.E.D.

The children are continuing to learn how to share and take turns. We continue to model what the children can say and do when they find it challenging to share.

## C.L.

The children have enjoyed listening to the story, 'How to Catch a Star' and 'The Gingerbread man'. We discussed together how we could try and catch a star!

## P.D.

The children continue to have lots of fun outside riding the bikes, exploring our climbing equipment and playing hide and seek. Some of the children have also been practising their throwing and catching skills.

## Literacy

We have learned our new letter sound, 'i'. We have also practised the letter sounds, 's,a,t,p'. The children enjoyed joining in with the repeated refrains in the story of the gingerbread man and had fun predicting what might happen next.

## Mathematics

We have been learning all about 2D shapes. We have thought about their names and described some of their properties. The children had fun playing a 'shape monster' game and enjoyed trying to match the correct shape to the right monster.

## U.W.

The children had fun making going on a treasure hunt to find 'shiny' things to put in our treasure chest. We spoke about why we thought each item was shiny.

## E.A.D.

This week the children have made sparkly stars using shiny paper, glitter and glue. They also had fun using our paint sticks to make their own picture!

## Special Notices

Don't forget, odd socks day is on Monday, November 15<sup>th</sup> for anti-bullying week. Children will also have their photos taken on Wednesday, 17<sup>th</sup> November. We have arranged a Christmas party for the children too, on Thursday, December 16<sup>th</sup>. Children can come to Nursery dressed in their party clothes on this day.
