Spring Term

Monday 11th February 2019

Issue 7

Dear parents and carers,

It has been an exciting and, as always, a busy half term at Ernesford Grange Primary School.

Last week, in class and in assemblies we have been thinking about Safer Internet Day to promote the safe and positive use of digital technology for children and young people.

Coordinated in the UK by the UK Safer Internet Centre, the celebration sees hundreds of organisations get involved to help promote the safe, responsible and positive use of digital technology for children and young people.

At Ernesford Grange, we do not just think about staying safe on the internet on just one day. We have lots of discussions and reminders to ensure that our children know how to stay safe online. But taking part in safer internet day offers us the opportunity to highlight positive uses of technology and to explore the role we all play in helping to create a better and safer online community. We ask that parents support us at home by ensuring Internet usage is supervised and safe.

Can I also remind parents, as part of our home school agreement, **not to post any concerns you have about school or any school related matters on social media.**

I would like to take this opportunity to ask parents to regularly check the website. All key dates are now on the school calendar, which can be found at the bottom of the homepage. There is also a noticeboard for all up and coming events at the bottom of the homepage.

If you would like to find out more about what the children are learning about at school, **there are now blogs** for each Year Group, The Arts, Forest Schools, Skills Academy Clubs and PE on the homepage of the website. The blogs contain photographs and usually a short summary about the children's learning.
