Daily Routines

Mornings

Parents/carers must accompany children into school. The gates will be locked. Therefore, the intercom positioned on the Foxton Road pedestrian gate should be used in order to gain entrance. On arrival, a member of staff will show you where to sign your child in.

The children will be supervised and offered a cold drink and a healthy breakfast. At 8:45am, the children will be escorted to their classrooms for the start of the day.

After school

A register of those children attending the club is circulated to the teaching staff. A member of staff will collect children from the classrooms and take them to Owls to be registered. During the sessions, children will be offered a healthy snack. Parents/carers arriving to collect their child(ren) from Owls will need to use the intercom on Foxton Road gates to gain entry. They will be asked to sign out their child.

Food at Owls

We are a before and after school club that provides breakfast (should your child(ren) choose to eat it). We are not a 'Breakfast Club'. Fruit is usually available for the children to help themselves to.

Please do not send your child(ren) with their own breakfast. We will provide the breakfast food that is to be eaten in the setting. If your child wishes to eat something other than what is provided at Owls, could you please ensure that it is eaten before they arrive at Owls.

A healthy snack is provided for the children in the afternoon, along with a cold drink. Fruit is usually available for the children to help themselves to. The snack provided **will not be equal to an evening meal!**

All food served at Owls on a regular basis is food that is recommended by The School Food Trust. Food may vary on special occasions.

Activities

The Owls club staff will encourage the children to be involved in as many activities as possible, such as:

- Outdoor games
