Barriers	s to learning (issues to be addre	essed in school)	
1.	Behavioural, social, emotional issu	ues (particularly in Y5 and 6).	
2.	A significant number of Pupil Pren	nium (33%) children also have significant SEN which	ch impacts on progress and attainment.
3.	Social and emotional barriers to le (70%) of the Pupil Premium childr	earning for many disadvantaged pupils across the seen are considered 'vulnerable'.	school.
Externa	l barriers (including issues which	ch also require action outside school, such	as low attendance rates)
1.	Lack of parental engagement and support. Parent engagement in school is limited for many of the children eligible for pupil premium funding.		
2.	Poor mental health of parents/carers/family members and children including children who come from difficult and complex family backgrounds.		en who come from difficult and complex family

Ernesford Grange Primary School Pupil Premium Strategy 2019-20

Des	ired outcomes for the expenditure of PP funding	Success Criteria
1.	For children who receive Pupil Premium to be able to take part in music lessons, extra-curricular clubs and to take a full role in school life and have wider opportunities beyond the curriculum.	The majority of children who are eligible for Pupil Premium have had opportunities to take part in a club or have learnt a musical instrument in school.
2.	To improve the behaviour, social, emotional and mental health of children who receive Pupil Premium funding and lessen the social and emotional barriers.	More confidence demonstrated in lessons by PP pupils enabling them to make sustained contributions which impacts on their learning. Fewer behaviour incidents recorded for these pupils on the school system. Increased self- esteem and social interaction with peers.
3.	Raise the percentage of disadvantaged pupils achieving GDS in writing. Ensure disadvantaged pupils make strong progress in reading and writing in line with and exceeding national standards.	Disadvantaged year 6 GDS writers are in line with or exceeding national standards. Disadvantaged pupils write at length and with enthusiasm. Disadvantaged pupils, both boys and girls, read widely for pleasure and in this way absorb a range of models for their own writing. Number of disadvantaged pupils achieving ARE in LKS2 increases.
4.	To improve children's depth of understanding in maths. To raise the number of children working at ARE and GDS.	Gap in attainment narrowed for disadvantaged / SEN pupils. Increase in percentage of disadvantaged pupils achieving GDS at end of KS2. Percentage of disadvantaged children achieving GDS at least in line with national standards. All books show evidence of fluency, reasoning and challenge. High achievers able to be identified from work in books.
