5	0845	0855	1515	Oxendon
6	0830	0840	1500	Oxendon

- Classroom doors will be **open 10 minutes before** the start time. The start time is when we expect registration to take place and lessons to start.
- If you have multiple children in school, please use the gate for the year group that starts earliest. You can then stay on site and wait for the next classroom to open.
- Please ensure you use the same gate to enter and exit the school site.
- **Please do not arrive any more than 10 minutes** before your child's start time above.
- Please exit the school site immediately after your child(ren) are safely in their classroom.
- Please remember, these measures are in place to limit numbers of parents on site at any one time.
- Y5 and Y6 children can be dropped off at the gate and can make their own way to their classroom.

**We need your co-operation with the above logistics to make this work to avoid parents and children crossing bubbles, to allow for social distancing and to help avoid close contact with others.**

**Please note that the start time is not the arrival time. The start time is when the children should be sat in their seats, organised and ready for registration. Being late for school is not only disruptive to your child's learning, but it can also be disruptive to the learning of others and can make your child feel anxious and distressed.**
