- Add and subtract numbers mentally

*Please visit the Y3 Curriculum page on the website for more detail.

Science: Animals Including Humans and Working Scientifically

- Identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.
- Gathering, recording, classifying and presenting data in a variety of ways to help in answering questions.

Art and Design Technology

Observational drawing
techniques
Cooking and nutrition
Making own chocolate

Music

Songs about food
Composing own lyrics for songs

Physical Education

Endball
Tag Rugby

Religious Education

Harvest
Thinking about a time for
reflection
